ADULT AND SUNDAY SCHOOL CLASSES

Sunday School classes are in full swing and everyone is invited! Classes begin at 9:30 a.m.

Classes are held in the Kerr Education building. The 2 - 4 year old class is on the first floor, by the nursery. All other classes are on the second floor.

We also continue a rich year of adult education. We have very gifted leaders who are excited about walking with other adults on their faith journey. Here are the classes being offered starting October 22, 2017:

Homebuilders Class

A new series called *The Tech-Wise Family: A Faithful Approach to Raising Children in a Digital Age* will begin October 22, 2017. This class, led by Chris Beaudoin will ask big questions about a Christian philosophy of technology and culture, as well as offer practical advice about how to parent in a digital age. Discussions will center around the book, *The Tech-Wise Family: Everyday Steps for Putting Technology in Its Proper Place* by Andy Crouch. Class will run Oct. 22 through Nov. 26.

Perspective's Class

Today is the last class for the series: "WHO IS THAT MAN? The Story of Jesus Christ". The class will meet in room 209 at 9:30. Here are the topics for this class today and the new class starting next week:

October 15, 2017

Jesus's Resurrection as Vindication of His Kingdom taught by Byron Borger. So much must be made of the historical claim that Christ arose from the dead, and His Easter message has certainly changed the world. What happened after Jesus's resurrection? How might this introduction to the person and work of Jesus affect us, our faith and our discipleship? Don't miss this final class in the *Who Is That Man* course. All are always welcome.

October 22, 2017

We begin a new series called *The Monk and the Movement that Changed the World: The Protestant Reformation*. Facilitated by Byron Borger and Stephanie Borger, this class will observe the 500th anniversary of the Protestant Reformation. This is a historic moment for churches world-wide, and we want to share this extraordinary commemoration. Class will run Oct. 22- Nov. 26.
